Off-road motorbiking is a physically and to a certain extent mentally demanding activity.

Therefore, participants should be unaffected by any medical condition that may prevent them from riding safely on technical terrain and in hostile environment.

Please tick the appropriate box(es) if you are knowingly affected, to the best of your knowledge and belief, by one of the following conditions:

<input type="checkbox"/>	Prescribed medication
<input type="checkbox"/>	Alcohol or drug dependence
<input type="checkbox"/>	Diabetes, high or low blood sugar
<input type="checkbox"/>	Epilepsy, fits or periods of unconsciousness, e.g. blackouts
<input type="checkbox"/>	Vertigo, giddiness or difficulty with balance
<input type="checkbox"/>	Musculoskeletal issues, e.g. chronic back pain
<input type="checkbox"/>	Psychiatric illness
<input type="checkbox"/>	Sensory impairment, e.g. blind, deaf
<input type="checkbox"/>	High or low blood pressure
<input type="checkbox"/>	Impaired limb function
<input type="checkbox"/>	Other

Or

<input type="checkbox"/>	I am in good health and not knowingly affected by one of the above conditions
--------------------------	---

If a participant has a contra-indicated condition (listed above or otherwise), **endurafrica** strongly recommends that he/she should obtain a certificate from a medical doctor to confirm that the condition does not prevent that person from attending an off-road motorbike tour.

By signing this declaration, you warrant and acknowledge that:

- the information given by you in entering this declaration is correct and will be relied upon by us
- **endurafrica** staff is not medically qualified and should you have any concerns regarding your health and/or fitness you should seek independent medical advice before engaging in any physical activity such as off-road motorbiking
- members of the **endurafrica** staff have the right to exclude any participant from riding if they have concerns over his/her health, fitness or attitude to safety
- to the best of your knowledge and belief, you are in good health to perform off-road motorbiking, and that such activity would not be detrimental to your health, wellbeing or physical condition
- you will advise **endurafrica** should your health deteriorate or your vulnerability to injury change during a tour
- should there be any contra-indication or doubt regarding health or fitness to perform off-road riding, a medical certificate has been provided as confirmation

<input type="checkbox"/>	Please tick this box if a medical certificate has been provided
